Subject: Response to the Request for Information Pursuant to Section 104(e) of
CERCLA for the Lower Duwamish Waterway Superfund Site, Seattle,
Washington

Dear Ms. Hong:

Enclosed is Pacific Pile & Marine, L.P.'s response to the EPA's request. I have answered the questions on the Respondent Information Sheet to the best of my ability and knowledge.

Sheila Hansen spoke with Aaron Lambert regarding what insurance info to send. There was some confusion as to what and how much to send. Aaron was able to somewhat clarify what was needed. However, because of the late date, we are sending that information we know is requested and will send the balance within a day.

If you have further questions, please contact me at 206 331 3873

Sincerely,

Wilbur Clark
